

SIMPOSIUM 2009

Program Inligting

Risikobestuur in die Graanbedryf

4 & 5 Maart 2009

Diaz Strand Hotel, Mosselbaai

Graanhanteringsorganisasie van Suider Afrika

UITNODIGING

Simposium en Jaarlikse Algemene Vergadering van die Graanhanteringsorganisasie van Suider-Afrika (GOSA)

U as professionele rolspeler in die graanhantering en verwante bedrywe
word uitgenooi na GOSA se Simposium en 26ste Jaarlikse Algemene
Vergadering

U is welkom om kollegas saam te bring om saam met u die simposium te
geniet wat plaasvind op:

4 & 5 Maart 2009
te
Diaz Strand Hotel, Mosselbaai

Die hoofdoelstelling van GOSA is om die belange van die graanhanterings-,
verwerkings- en distribusiebedrywe deur individuele professionalisme te
dien en om veilige, effektiewe en ekonomiese werkverrigting binne die
bedryf te bevorder.

GOSA is verder 'n toegewyde organisasie wat vir sy lede forums
daarstel om leierskap, innovasie en voortreflikheid na te streef in
graanverwante aktiwiteite.

Die simposium belooft om verrykend en interessant te wees, nie net
vir persone in die graanbedryf nie, maar ook vir hulle metgeselle.

Moet dit dus nie misloop nie !

SYMPOSIUM 2009

Programme Information

Risk Management in the Grain Industry

4 & 5 March 2009

Diaz Beach Hotel, Mossel Bay

Grain Handling Organization of Southern Africa

INVITATION

Symposium and Annual General Meeting of the Grain Handling Organisation of Southern Africa (GOSA)

You as a professional role player in the grain handling and related industries are invited to the GOSA Symposium and 26th Annual General Meeting.

You are welcome to bring colleagues to the Symposium to be held on:

4 & 5 March 2009

at

Diaz Beach Hotel, Mossel Bay

The main objective of GOSA is to serve the interests of the grain handling, processing and distribution industries by individual professionalism and to promote safe, effective and economical performance within the industry.

GOSA is furthermore a committed organisation that provides forums for its members to improve leadership, innovation and excellence in the grain related industries.

This symposium promises to be enriching and interesting, not only for the persons in the grain industry, but also for their companions.

Do not miss this event!
